

Nutrient Management

■ **Engineering Report**

- **Part of Permit Application**
- **Water Balance**
- **Nutrient Balances – N & P**

■ **Focus on N**

- **10-mg/L Ground Water Standard**
- **At Edge of Zone of Discharge**
- **Merge Water and N Balances**

Nutrient Management

■ Downgradient Impacts

- Rule 62-610.850, F.A.C.
- Surface Water
- Ground Water
- Springs

■ Remedies

- Increased Treatment
- Operational Changes
